## Portraits: Influence of the Media

Work by WMA Fine & Performing Arts Faculty members Paul Bloomfield and Kiayani Douglas

Reception: Jan. 11, 6 - 7:15 p.m.

Exhibit: Jan. 10 - 30 (Mon. - Fri., 8 a.m. - 4 p.m.) in Binney Art Gallery.

The works in this show rely heavily on how messaging and news stories come to be embodied in an individual. Each portrait represents a story or aspect of an unfolding one. With the rapid turnover of news in the media, it can be difficult to keep up with the variety and connectivity of events. This show is a way to recall some of the people and stories by slowing down and considering their impact on us.
