Grade 7
Emma Landry '25**

“All throughout this past year, Emma Landry has been a consistent source of positivity and kindness. With each class I knew I could count on receiving one of her cheery smiles and a fully prepared music student who is ready to work. Emma’s musicianship is solid and her willingness to help out both her peers and I musically, whenever necessary, is admirable. Because of these attributes, the Grade 7 Music Barber Prize is awarded to Emma Landry.”
