Grade 8
Lily Mathison '24**

“Over the course of the last year in music class, Lily Mathison has embodied many qualities of a budding musical artist. Her patient and positive attitude, open-mindedness and teamwork with her peers is commendable. When singing, Lily has a strong stage presence, a certain charm she possesses that commands her audiences full attention. Her original song writing, while sounding contemporary, has her own personal stamp in it. Each of these elements is why the Grade 8 Music Barber Prize is awarded to Lily Mathison.”
