

**MIDDLE
SCHOOL**
At Home. In the World.

**World Cultures Award
2020
Grade 6
Dakotah Thomas '26**

“Dakotah truly distinguished herself as a most thoughtful student in World Cultures 6 this year. She could consistently draw tangents between current and past content we’d covered, helping other students to recognize patterns in history. Her grasp of content and concepts throughout the year was strong and consistent, distinguishing herself as an exceptional student in this subject. I look forward to working with her again next year.”

-David Allen
