

When packing, please remember

- Your room will have a twin bed with extra long mattress, desk, chair, and bureau.
- Please plan on bringing the following personal items for your room:
 - Bed sheets, blankets, pillows
 - Towels, shower slippers, bathroom basket/bucket (for toiletries)
 - Wastebasket, mirror, alarm clock, lamp

Note: Halogen lamps are not allowed because they are a fire hazard. Other heat-producing items – like hot pans, irons, and rice cookers – are also not allowed.

- Feel free to bring a music player or computer, but remember to bring headphones too.
- Refrigerators are not allowed in dorm rooms.
- Rooms are not air-conditioned, so students are encouraged to bring a small fan.
- As listed in the Student/Handbook, students are not allowed to have prescription or nonprescription medication in their possession, including vitamins or herbal supplements that are not labeled in English.

When you arrive on campus, please keep in mind

- At registration, you will be given your room and mailbox keys.

****Note:** Financial transactions regarding room and mailbox keys are taken care of separately. Please refer to the Tuition & Fee Schedule available in the Additional Forms section of your My Backpack Online Enrollment page.

- When you get your keys, I encourage you to place them on a lanyard or big key chain. If you lose them, our Maintenance Department will install new locks at your expense.
- After you receive your keys and go to your assigned room, you will meet one of your dorm parents and will complete a Room Condition Report with him/her. This report protects you, the boarding student, from being charged unnecessarily when room condition checks take place.
